Bettina Belitz

Bettina Belitz was born in Heidelberg in 1973, and very soon fell under the spell of the book shelves. It wasn't long before reading wasn't enough – no, she had to scribble her own stories down, too. After university, Bettina Belitz worked as a journalist until she was able to devote herself to her youthful enthusiasms. Nowadays, she lives surrounded by horses, sheep, cats and chickens in a village of 400 inhabitants in Westerwald, where she is inspired by nature and weather to write her novels.
