Story

IMAGINE LIFE IS A SOAP AND YOU ARE RIGHT IN THE MIDDLE OF IT!

After following Jasper out of the soap into the real world, Abbey has real trouble trying to explain. Deborah is furious, Jasper is rather confused, but also fascinated by New York. Just as Abby is wondering if Jasper is really nice after all (or possible more than just nice?) the series takes another sideways leap.
Bad guy DeWitt is planning a new intrigue. But why is he so desperate to ruin the Ashworths at any cost? With help from Aunt Gladys and housemaid Clarissa, Abbey finds out about an incredible family secret...
In the second volume of the 'Love in Series' trilogy, heroine Abby must once again break the soap opera rules. As in every soap there are plenty of exciting new developments. Funny, riotous, romantic - a pleasure to read from the first page to the last!

- Humorous and turbulent with a dash of romance!
