Story

With momentum to the writing pro

With the help of pre-embossed lines, the first attempts at writing become child's play! The indentations in the paper keep children on track from the start, practice using the pencil, and thus train a clean handwriting pattern at an early age. In addition, varied exercises help them memorize the shapes.

Learning to write is so easy!

- Promotes motor skills
- Precise pen control for a neat handwriting pattern

- With fun exercises

Thanks to the **pre-embossed lines** in the paper, **swing exercises** and **first writing attempts** are **easier** than ever! The **ruts** guide the pen as it **traces**, making it easier to **grasp the shapes**. **Colorful tasks** for each shape help **memorize** them and make learning more **fun**. For **children 5 years and older**.
