Story

Motivating Children to read with Leselöwen!

Reading Lions – The Picture Mouse Concept:
• For **pre-school-kids** without experiences in reading on their own
• **Clearly structured text**
• **Nouns** are **replaced with pictures** to be ‘read out’ by the children
• Sense of **achievement guaranteed**!

Jona’s dad is astronaut and flies to the space station. There he’s supposed to work with microscopes and robots. And Jonas has a present for him that’s supposed to bring luck for the mission.
