Story

Let’s get creative!

- **Original colouring** and **crafting concept** by crafting expert **Norbert Pautner**
- With **simple instructions** and answer page
- **Colourful illustrations** and **extra thick outlines**

How to use the crafting books:
First, tear off the perforated fold-out page and colour in the pictures that match the double-page scene. Difficult bits are already coloured in to make things easier.
Then cut out the pictures along the extra-thick outlines and stick them onto the scene. Children can check the finished pictures on the answer page if they need help.
Colour, cut and stick – that’s all there is to it!
