Story

The Ghost Hunter Series by bestselling author Cornelia Funke has charmed its readers around the world. It is especially entertaining through the mixture of ghost story with the everyday life of the young hero Tom. How is a serious ghost hunter supposed to hunt if his mother wants him to go to bed at eight and he can’t take one step without his older sisters butting in? Problems like these make the actual ghost hunts even more exciting…

Cornelia Funke

Cornelia Funke (*1958) studied education and illustration in Hamburg and worked for many years as a freelance children’s book illustrator.
