And not only that: in the cars there are always objects that belong to him: his pen, his cap ... but he has nothing to do with it! The teachers and his foster parents are not much help. On the contrary, they believe that he did it! What is he supposed to do? Luckily, Samira, a girl who goes to the neighbouring primary school, helps him. Samira knows her stuff! She knows that detectives work with fngerprint powder, and she‘s really clever. Together they set out to fnd the car thief and try to prove Johnny‘s innocence.
