This heart-warming Story Time series is about the adventurous Forest School. If kids are able to identify with all that happens in stories, they will become enthusiastic readers!

What happens in Vol. 2:
Mino, Lenni and Lola are about to uncover a great secret. What lies behind the dashing river? And why are they prohibited from coming close to the river?
Super powers and best friends are required to cross the wobbly bridge. When they discover the water school and meet a new friend on the other side, of course they have to keep it a secret! Big forest school
