Story

A short novel for first readers - our "Reading Elephant" titles aim at children who can concentrate enough to read one continuous story. Numerous coloured illustrations create reading interruptions which avoid an overextension of the young readers.

Katja Reider

Katja Reider was born in 1960. She studied German literature and media science in Göttingen. She created her first picture book during a particularly rainy vacation. By now she has published several books for children and young adults that have been translated into many languages. She lives in Northern Germany with her family.
