Story

What the hell has happened to the Devil?

• A hilarious comic-style series with a fantastic hook
• The perfect combination of a school topic and devilish fun!
• Humorous black-and-white illustrations on every double-page
• With plenty of uproarious details and screamingly funny gags
• Fiendish fun for boys, girls, and adults!

Lucifer Junior is the Devil's son. He lives in Hell, and will one day take over the "family business". But his father still thinks Junior is far too nice for the job, and sends him off to spend some time in the land of the living at the boarding school St. Fidibus on Earth – after all, where better to learn how to be nasty than among human beings?

What happens in **Volume 4**:
Lucifer Sr is still missing and Uncle Gabriel cannot run the show any longer. Luce and his friends detect him in France, but a mysterious stranger follows them. Yet, a devil isn't deterred that easily! Soon, they not only find the senior but also discover that Lilly has demonic powers – she is Lucifer's twin sister! How is that possible?

Jochen Till

Jochen Till, born 1966, has been in hell for 20 years now in Section 66 (writers and other inventors of lies), condemned by Lucifer himself to write books for children and young people. What the devil doesn't know, however, is that he feels great down there and has a hell of a time doing it.
