In The Vampire Sisters black & pink, we meet Silvania and Daka at the age of eight-and-a-half. The twins stay with their Grandma and Grandpa, where they have lots of vampiric adventures! In these books, younger readers can discover the world of the vampire sisters before moving onto the 'big' series when they are ready.

What happens in Vol. 6:
Yay! Grandma takes the Vampire Sisters for a nightly trip to the museum. But what was that for a sound? Did the mummy just come to life? And why is that mysterious boy following them on every step? All the way up to the tower of the old building, where a big surprise awaits them!
