Story

Mila is overjoyed: She can finally spend as much time as she wants with Jan!
But when her best friend Charly suddenly has to leave the boarding school for a longer period of time, without telling Mila where she is going and when she is coming back, Mila's world falls apart. What secret is Charly hiding from her? To distract herself from her worries, Mila focuses on the preparations for her horse riding exams. But is that really the right way to deal with everything?

The **most exciting horse riding – series** for **girls from the age of 10** with lots of **ponies**, **horse riding shows**, **friendships** and, of course, **first true love** – narrated with a lot of heart and humour.
