- Experience instant reading success and motivation at the same time

Jette has very special friend. Fanni is flying on an umbrella and she is a real witch! For Jette's School Party Fanni starts right away to practice witchcraft: A popcorn machine and a many-coloured strawberry cake are conjured up. But suddenly it rains popcorn and the school's principal starts talking in the 'ü-language' after having eaten a piece of cake. Hülp! Will Fanni be able to save the bewitched party?

Katja Richert

Katja Richert studied educational science and worked as an editor for several years before becoming a freelance author. She lives in Braunschweig with her husband and twin daughters.
