Story

Lily is happy because she is getting on really well with her best friend Ava and has just fallen in love with that sweet guy, Travis. Then Kendra turns up. She makes friends with Ava and flirts unashamedly with Travis, and is constantly coming between Lily and her friends. Or is Lily just being oversensitive and jealous? One morning, when she spots Kendra slipping into the notorious room, she sees her opportunity… All she has to do is close the door to that cursed room – to get rid of Kendra forever.

Amy Crossing

Amy Crossing spent her childhood in Maryland. When she was 17 her family suddenly moved to England for reasons that the author still hasn't revealed. Today, she lives with her family in the vicinity of New York, well away from the glare of publicity.
