Story

"I don't want a kiss!" says Lotta self-confidently, when she doesn't want to be kissed at her aunt's birthday party. Because Lotta knows that she must say no clearly when she finds something unpleasant or frightening. For example, when she doesn't want to be disturbed while she's having a bath. And the salesman in the zoo shop is of course not allowed to touch her! A sensitive picture book on an explosive subject.
