Story

For several decades already the Reading Lion has helped millions of children as a trademark to the level of reading proficiency in Germany. The manifold stories contained in each volume describe the different aspects of a specific subject in a suitable manner and on the level of early readers. The exciting stories motivate both boys and girls to read on. With this level of the Reading Ladder the children have achieved the first level of true reading proficiency and have become competent readers. All titles feature full colour illustrations.

Sandra Grimm

Sandra Grimm was born in 1974 in Northern Germany. Already as a child she loved to invent stories and owned a real washcloth dog that she took everywhere. Today she works at a small company where she still invents her stories and writes about that dog and many other little animal friends.
