### **Story**

Anika is supposed to do an internship for school - in the veterinary surgery of Jana, her father's new girlfriend of all places! Anika can't stand Jana and doesn't feel at all like being on her own, caught on a farm in the middle of nowhere. Her best friend Tim is far away from her in Munich and cannot help her. But then the farm Cat Luck pleases Anika after all, since the white horse Amor has his home there too. However, Jana's daughter Corinna is annoying: she tries very hard to separate her mother and Anika's father. And the girls have their own heartaches, too. Anika longs to be with Tim, and Corinna has had a fight with her boyfriend. How lucky that at least the horses are still there to comfort the girls...
