Story

Big emotions for small children: together with the cuddly bear they can see what it feels like to be sad, when all you want to do is hide under your blanket – or what it is like to be really angry, or afraid. But most of all, they can enjoy spending quality time with the little mouse, who is always there for him, no matter what he feels like.

Concept:

- lovely scenes about the different emotions
- great present for the most important person in your life
- successful author/illustrator team
