### Story

There are many exciting stories about Paula on well-loved themes, for all ages. Paula accompanies her readers every step of the way, from their first read-with stories to reading champions – just like a best friend! Hooray, Paula is looking forward to her birthday party! But now, snooty Serena wants to have her party on the same day – does that mean nobody will come to Paula's party, now?

### Katja Reider

Katja Reider was born in 1960. She studied German literature and media science in Göttingen. She created her first picture book during a particularly rainy vacation. By now she has published several books for children and young adults that have been translated into many languages. She lives in Northern Germany with her family.
