Story

Nele has a mission: she wants to experience her first time with a boy. And isn't Vince's party the perfect setting for this mission? Together with her best friend Sissi she tumbles into the adventure and is amazed at the delicacies on and around the buffet. But who is going to help Nele on her mission: her very old friend Leif, exchange student Jaro or Sissi's boyfriend Fabian? Only the reader knows - as it is up to her to decide who will do what with whom!

Making out with Fabian? Dancing with Jaro? Or rather swimming with Jasper? Everything is possible in our new series for girls aged 13+. When Franziska Gehm writes with lots of humour about the chaotic love lives of her female protagonists, nobody knows yet how the story is going to end. Only one will determine who is going to experience what with whom - and that's the reader herself!
