A painting of a large elephant and a baby elephant in a savanna landscape at sunset. The elephants are the central focus, with the large one on the right and the baby on the left. The background features a warm, golden sunset over a grassy plain with a few small huts in the distance.

Peter has ten dummies and he absolutely needs them all! But then the elephant in the zoo grabs one, Peter trades one for a toy car and the deep-sea snake gets one, too. Suddenly they're all gone one after the other! So Peter gives the last one to his sister, because dummies are only for little ones and Peter is already big.

On each double page, a dummy disappears from the bar in the margin and finds a new home until only one is left. In this way, children are encouraged to part with their dummies and learn how to count.

Ever since the little lamb Lammanda accidentally grazed in the meadow at the end of the rainbow, its wool and pellets have been brightly coloured and when it is excited, she lets out a rainbow fart. Because of this, the other sheep laugh at Lammanda, so she seeks advice from the herding dog Bernhard Diener - and luckily he knows how to help! He introduces Lammanda to his friends, who are all a little different, but still very happy. And when the toebra needs help, Lammanda is immediately on hand!

A wonderful, funny picture book about difference, individuality and friendship that shows: Everyone is good just the way they are, and you should always be true to yourself.

Freddy the wild boar is angry with his mommy because he has to take a bath before he can play. Marie, the ladybird girl, just doesn't want to get help baking pancakes, even though everything goes wrong. And Anni the little owl has lost her stuffed animal and can't sleep because she is so sad about it.

Sometimes it's not so easy to get out of difficult feelings. But Mama Wild Boar shows Freddy how to stomp his anger into the mud. Marie discovers that even Daddy can't do everything on his own and sometimes even needs her help. And Anni is quite touched that suddenly all her friends want to cuddle with her to replace her stuffed animal. Freddy, Marie, Anni and the many other likeable animal protagonists relax in different ways and the little listeners certainly do too.

# Will you tell me about God?

Mose geht es gut. Aber den Israeliten im Land geht es sehr schlecht. Sie werden wie Sklaven behandelt. Mose sieht das, aber er kann nichts tun. „Das ist so ungerecht!“, denkt er wütend. Einmal beobachtet er, wie ein Aufseher im Hof des Palastes einen Israeliten quält. Ohne nachzudenken, geht Mose dazwischen. Er schlägt so hart zu, dass der Aufseher zu Boden fällt und leblos liegen bleibt. Jetzt muss Mose schnell das Land verlassen.

## Mose in Ägypten (Exodus 11-22)

Wie Josef leben noch etliche Generationen nach ihm in Ägypten. Sie nennen sich Israeliten, denn wie Josef sind sie die Nachkommen Israels. Eines Tages entscheidet der neue Pharao, dass es zu viele Israeliten im Land gibt. „Irgendwann werden sie zu mächtig sein und mich vom Thron verjagen!“, denkt er. Das beunruhigt ihn sehr. Er beschließt, die Israeliten hart für sich arbeiten zu lassen, und hofft, sie würden irgendwann vor Kummer eingehen.

Aber das passiert nicht. Ganz im Gegenteil, die Familien bekommen viele Kinder. Deshalb plant der Pharao etwas noch Schlimmeres: Alle

neugeborenen Jungen der Israeliten sollen von nun an getötet werden.

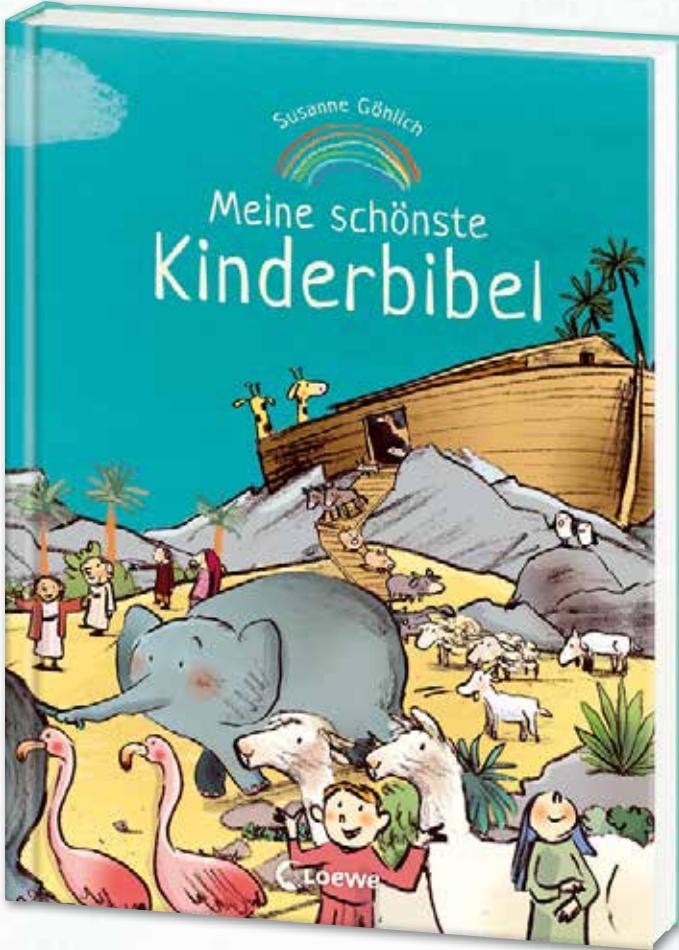

Viele Eltern sind verzweifelt und versuchen, ihre Kinder zu retten. Ein kleiner Junge wird von seiner Mutter in eine Decke gewickelt und in ein Binsenkörbchen gelegt.

Ihre Tochter Mirjam geht mit dem Korb zum Fluss, um das Baby im Schilf zu verstecken und es zu bewachen. Dort entdeckt es die Tochter des Pharaos, als sie wegen der Hitze mit ihren Dienstbotinnen im Nil badet. „Wie niedlich!, rufen die Frauen.

„Ist das ein israelisches Kind?“, fragt die Pharaotochter. Mirjam merkt, dass diese Frau nichts Böses vorhat und überlässt ihr den Jungen. Bei ihr ist er in Sicherheit. Die Mutter darf den kleinen Mose, so wird das Kind genannt, als Amme betreuen. Von nun an wächst er im Palast auf.

The stories from the Bible are still part of children's everyday life in many families and help them to understand our society. Age-appropriate communication is crucial here. That is why this children's Bible brings together the most beautiful and important texts from the Old and New Testaments in loving retellings. From the creation of the world to the deeds and miracles of Jesus, it tells of love, confidence and of bigger and smaller events. Combined with atmospheric illustrations, this is the ideal basis for reading aloud and discussions in the family, the congregation or school and kindergarten.

## New appearance for Picture Mouse and Reading Lions

With our first reading books, we have been supporting children for over 45 years in the difficult process of learning to read. We attach particular importance on **good stories on topics that inspire children who are just starting to read**. Learning to read is fun!

**Even before the pandemic, the reading ability of fourth-graders had already declined.** Studies have shown that during the pandemic the reading ability further declined. **We are responding with a revised grade level concept.**

From now on, we will be using the **ABeZeh learning-to-read font**, which was specially developed for beginning readers and is also suitable for dyslexics. The amount of text has been reduced and the number of pictures has been increased. In addition, we are now using **syllable colouring** for the first and second grades, which has been proven to support children in grasping words. **Question pages** create reading breaks and promote text comprehension, now always immediately after each chapter.

**Brand new are our reading lions for grade 3** – designed for older children who still struggle with reading and need support. **Cool illustrations** and an **innovative layout** are designed to increase motivation in learning to read and provide extra reading fun.

### The most important keywords to the relaunch:

- Revised series design and new logos
- New Picture Mouse and Reading Lions characters
- ABeZeh learning to read font
- Syllable colouring in 1st and 2nd grade
- Reading lions now also for 3rd grade

## About Reading Lions (Year 1):

With the reading lions for first grade, children can already read their first own book all by themselves. Each book contains an exciting story on a popular topic with lots of colourful pictures, short sentences and small text units which are divided into 'steps of meaning'. The large, easy-to-read font was developed especially for beginning readers and is also suitable for dyslexics. The syllable colouring makes it easier to grasp words. With the puzzles and the factual information at the end of the story, first-time readers can easily check whether they have understood the text correctly. This makes learning to read fun!

Johnny is at a loss. Cars are being broken into and things stolen from them in the playground of his school! And not only that: in the cars there are always objects that belong to him: his pen, his cap ... but he has nothing to do with it! The teachers and his foster parents are not much help. On the contrary, they believe that he did it! What is he supposed to do? Luckily, Samira, a girl who goes to the neighbouring primary school, helps him. Samira knows her stuff! She knows that detectives work with fingerprint powder, and she's really clever. Together they set out to find the car thief and try to prove Johnny's innocence.

### About Reading Lions (Year 3):

The new reading lions for 3rd grade are aimed at older children who still struggle with reading. Exciting stories meet cool illustrations and an innovative layout. This motivates and extra reading fun.

# The Secret of the Wild Horses

einmal passiert, müsst ihr die Herde verlassen.“

Mit hängendem Kopf schleicht Luna hinter Bull her. Die anderen folgen ihr. Sie ist froh, dass Bull jetzt bei ihnen ist. Dann muss sie keine Angst mehr haben.

Aber Luna hört, wie Anu leise schnaubt:  
„Beim nächsten Abenteuer nehmen wir Luna nicht mehr mit.“  
Und Kaya brummelt sauer: „Genau. Sie ist so ein Angstpony!“

Vorsichtig trappelt Luna hinter Bull her. Hoffentlich ist Anu und Kaya nichts passiert! Sie lugt um die Ecke. Da sind die Stuten. Sie gucken ängstlich und zittern ein bisschen. Bull steht genau vor dem Berglöwen!

Aber ... was ist das? Der Berglöwe blinzelt und seine vier Ohren klappen nach unten.

Auf einmal sieht er gar nicht mehr gefährlich aus. Und er sieht auch nicht mehr aus wie ein

Berglöwe, sondern wie ... Hoka und Mato, die jungen Hengste!

Bull legt wütend die Ohren zurück.

„Was treibt ihr hier? Ich habe euch doch verboten, zu den Felsen zu laufen. Los, zurück zur Herde mit euch!“ „War doch nur ein kleiner Streich“, brum-

16

melt Hoka. „Es ist mein Blut. Ich habe mich gestern hier am Felsen verletzt.“ Er deutet auf einen kleinen Kratzer.

Und Mato schnaubt: „Wir wollten die Stuten nur hierherlocken und sie ein bisschen erschrecken!“

CHAPTER BOOKS

Mustangs roam the prairie and experience many adventures, are brave and fearless - except for Luna. But then the young mare learns that she has a special gift. Will she overcome her fears and follow her destiny? Luna lives with her herd in the barren Nevada desert. She would like to be as brave as the other horses, but fear always wins out in tricky situations. Then she finds out that she has a special gift: she is a moon whisperer!

Moon Whisperer! Luna asks the moon for help, because she doesn't want to be afraid any longer. And indeed a new constellation appears in the sky - a proud horse with a brave look! This can only be the new stallion Neo, who has joined the herd. Or is it perhaps another horse that the stars are referring to?

Finally, the singing competition in the savannah is taking place again! Dauber wants to take part too - and drives his friends into a frenzy. His friends into madness with his crooked singing. But nothing can stop a brush-eared pig from his plan. What's more, a group of crocodiles has settled at the waterhole and no one dares to go there any more. What now? Water supplies are running low and the animals have to do something!

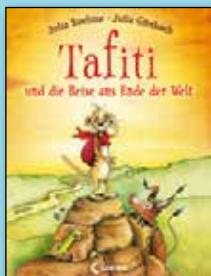

Fortunately, Tafiti has an idea: with a ruse he convinces the crocodiles to take part in the singing competition too and makes himself available to them as conductor. The plan behind it: While the crocodiles are distracted, the other animals sneak to the waterhole and replenish their supplies. Will Tafiti's plan work and the animals will have unhindered access to their waterhole again in the long run? And who might the egg be that Brush has found and is now hatching under his cap?

Ruby takes the search for a new home for him into her own hands, because she wants him to stay on the island. As if that wasn't enough, there is unrest among the goblins. Kenny, a young goblin, has received his pot of gold - a milestone in a goblin's life - and lost it straight away. and lost it again. He is completely distraught, how is he supposed to explain this to the other goblins? And what is he supposed to do? Will Ruby find the gold and a new home for Mopsi?

Marie has water magic abilities and is supposed to learn how to control her powers on the school ship Wellenkron. Together with Kira, Ilvy, Adrian and Theo, Marie faces the school adventure on the high seas. But between wave lore, coral care and water graphics, a threatening storm soon brews and puts the crew in great danger.

# StoryWorld - the park

On the misty island of Neblund, far from any civilisation, stands StoryWorld - an adventure park with magical creatures where stories come to life. But behind the adventure fun lies a dark secret...

Sascha beugte sich vor, um besser sehen zu können. »Wir sind viel zu schnell, so können wir niemals landen!« Der Pilot zog das Steuer hoch. In letzter Sekunde. »Wooohhh!« Sascha klammerte sich an ihren Sitz. »Mayday, Mayday!« zwitscherte es in ihr Ohr. Zum Glück waren die Motoren der Maschine so laut, dass niemand außer ihr Frodo hörte.

Die Nase des Fliegers streifte den Dunstschleier über der Wasseroberfläche kurz, dann schossen sie durch das steinerne Tor.

Grelles Sonnenlicht drang in die Kabine. Die Mädchen rissen gebündelt die Arme vors Gesicht. Goldene Funken tanzten vor Saschas Ältern und sie spähte blitzend zwischen den Ärmeln ihres Pullovers hindurch. Was sie nun sah, war anders als alles, was sie erwartet hatte. »Was geht denn hier ab ...?« Die Worte blieben ihr im Hals stecken.

Henry kostete den Moment voll aus. »Ein Ausblick, den man so schnell nicht vergisst.«

Jetzt wagte auch Chlöe den Kopf zu heben. »Was ist los?«

Sascha konnte es nicht sagen. Sie hüteten den Dunst hinter sich gelassen. Vor ihnen erstreckte sich eine spiegelglätte Wasserfläche im Schutz zweier gigantischer Felswände. Die Maschine flog durch eine breite Schlucht, schroffes Felsmauerwerk, die zu beiden Seiten hoch hinauf in

A lles begann damit, dass Frodo, der Wellenstrich, auf einmal sprechen konnte. Nicht, dass dies so ungewöhnlich gewesen wäre. Schließlich konnte der eine oder andere Vogel quatseln, was das Zeug hielt, aber eben nicht Frodo. Denn Frodo war anders.

Sascha, das Mädchen, dem er gehörte, hieß ihn für den schlimmsten Wellenstrich der Welt. Er konnte besser zuhören als jede Großmutter, war tröstender als jede Freundin und hatte die weitesten schwarzen Kulleraugen weit und breit. Darum war es ihrer Meinung nach auch umso seltsamer, dass ausgerechnet Frodo kein Wort sprach!

Bis zu diesem deskwidürigen Tag an dem Sascha den besten-schlechtesten Schluftag ihres Lebens erleben sollte.

Es geschah im Speisesaal, auf dem Weg zur Preisverleihung des großen alljährlichen Lesewettbewerbs.

Sascha hatte bis spät in die Nacht hinein gelesen, um auch

das letzte Buch auf ihrer Liste abzuhaken, denn sie wollte diesen Wettbewerb gewinnen. Nein, sie *musste* unbedingt gewinnen!

Ihre braunen Krauselocken fielen ihr wirr ins Gesicht, sie hatte tiefe Augentringe hinter der Brille und überhaupt hatte ihr der Blick in den Spiegel ihres einzigen Internatssimmers verraten, wie irre sie an diesem Morgen aussah. Also irre ... schrecklich.

Schwankend bahnte sie sich einen Weg zwischen den Tischreihen hindurch.

Der Speisesaal der St. Anna-Akademie für Mädchen war eine dieser öffentlichen Räumlichkeiten, die dringend einer Renovierung bedurft hätten. Nur leider fehlte das Geld da-

What is that? Fauxpas can talk, can't he? Cornibus is completely taken aback. Up until now, the little no-horn has only ever made mee-ow. And now Fauxpas is telling Cornibus his sad story. Because Fauxpas comes from the Glittering Forest, where everything is perfect, every daisy has exactly fifteen leaves, every ladybird exactly seven points and every two-horned unicorn has two horns. And where he was mercilessly bullied and teased as the only unicorn among all the two-horns. This place is terrible, says Fauxpas – much more terrible than hell, where he is regularly stroked, fed and generally loved by Lucifer senior.

With Jochen Till and Raimund Frey, the glittering world of unicorns becomes a real hell – A story about exclusion can also be told in such an entertaining way!

LOEWE WOW!

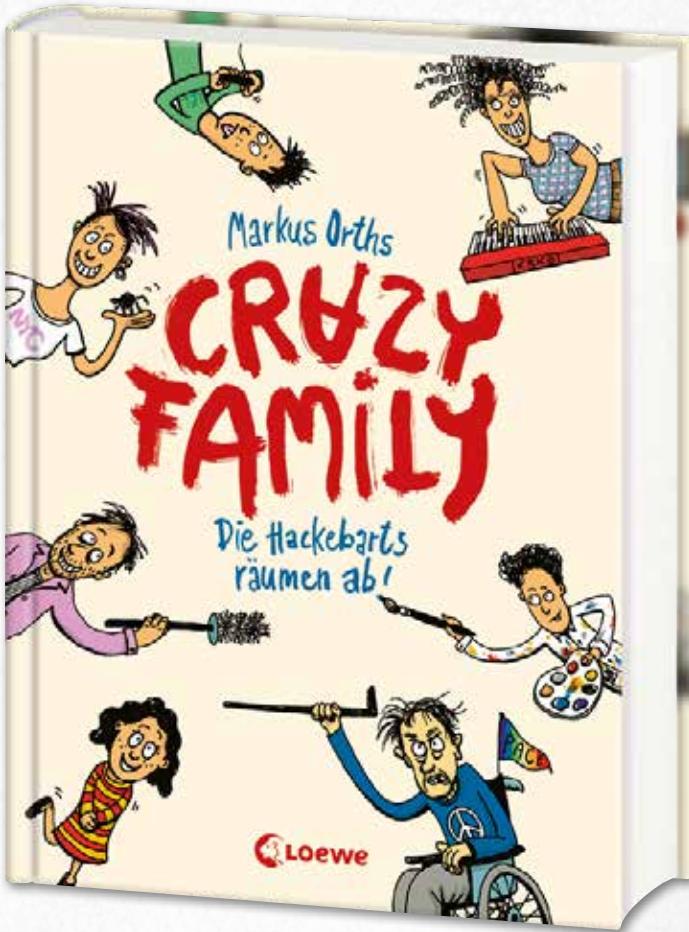

# Do you know the Hackebarts?

**MARKUS ORTHS** writes his books from morning till night. He has already written 15 books for adults and nine for children. Of course, he also writes children's books for his own three children. Any similarities between the Hackebart family and the Orths family are purely coincidental. Well, mostly anyway.

**HORST KLEIN**, born in 1965, spent formative years in East Frisia before moving to Krefeld in 1989 to study visual communication. Well, he had to look up Krefeld in the atlas. Nevertheless, he still lives there today with his wife and two children and works as an illustrator and graphic designer.

Do you know the Hackebart family? Thirteen-year-old Brooklyn is super sensible, Zosch, eleven, is a passionate sportsman and gambler (Brawl Stars is his favourite). Lulu, at six, is the youngest and highly gifted, and eight-year-old Mönkemeyer lives exclusively for art – especially early 20th century abstract painting. When the family runs into money trouble because of a „mishap“ Mönkemeyer had at the local art museum, Brooklyn signs them all up for a quiz show on TV. Will the Hackebarts become millionaires? The chances are good. After all, they have Lulu.

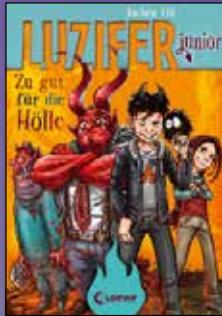

A hilarious family story, narrated by Markus Orths and congenially illustrated by Horst Klein. For reading aloud and on your own, and for family time on the sofa in the evening.

Because he is far too sweet to be a devil, Lucifer junior is sent to earth by his father. Will he learn how to be really bad during his time here with us?

Director Hasenfuß has burned out and has to take some time off. His substitute, Mr Seitling-Hirt, has some great ideas for the lessons. The timetable is abolished. The teachers are now called Creative Promoters and the pupils are supposed to dance their character. From now on, the school canteen will only serve the new SuperFood from the company Dépen Danse. It looks pretty gooey, but it tastes great. Unfortunately, you get very hungry again very quickly after eating it and need more and more SuperFood. Much more!

# WHICH REALITY IS THE

"Why is God so unjust?" asked Jero abruptly.

"What do you mean?", I replied surprised.

"Just look around you! This place is perfect, a paradise. Infernia, on the other hand, is horrible. The earth is full of beauty, but also of suffering. Why didn't God create all three worlds the same?

I decided to try an experiment.

"Have you ever wondered if what you see is reality?"

He looked at me, startled. "What are you trying to tell me? Am I still in hell, insane like the other two?"

"No, that's not what I meant."

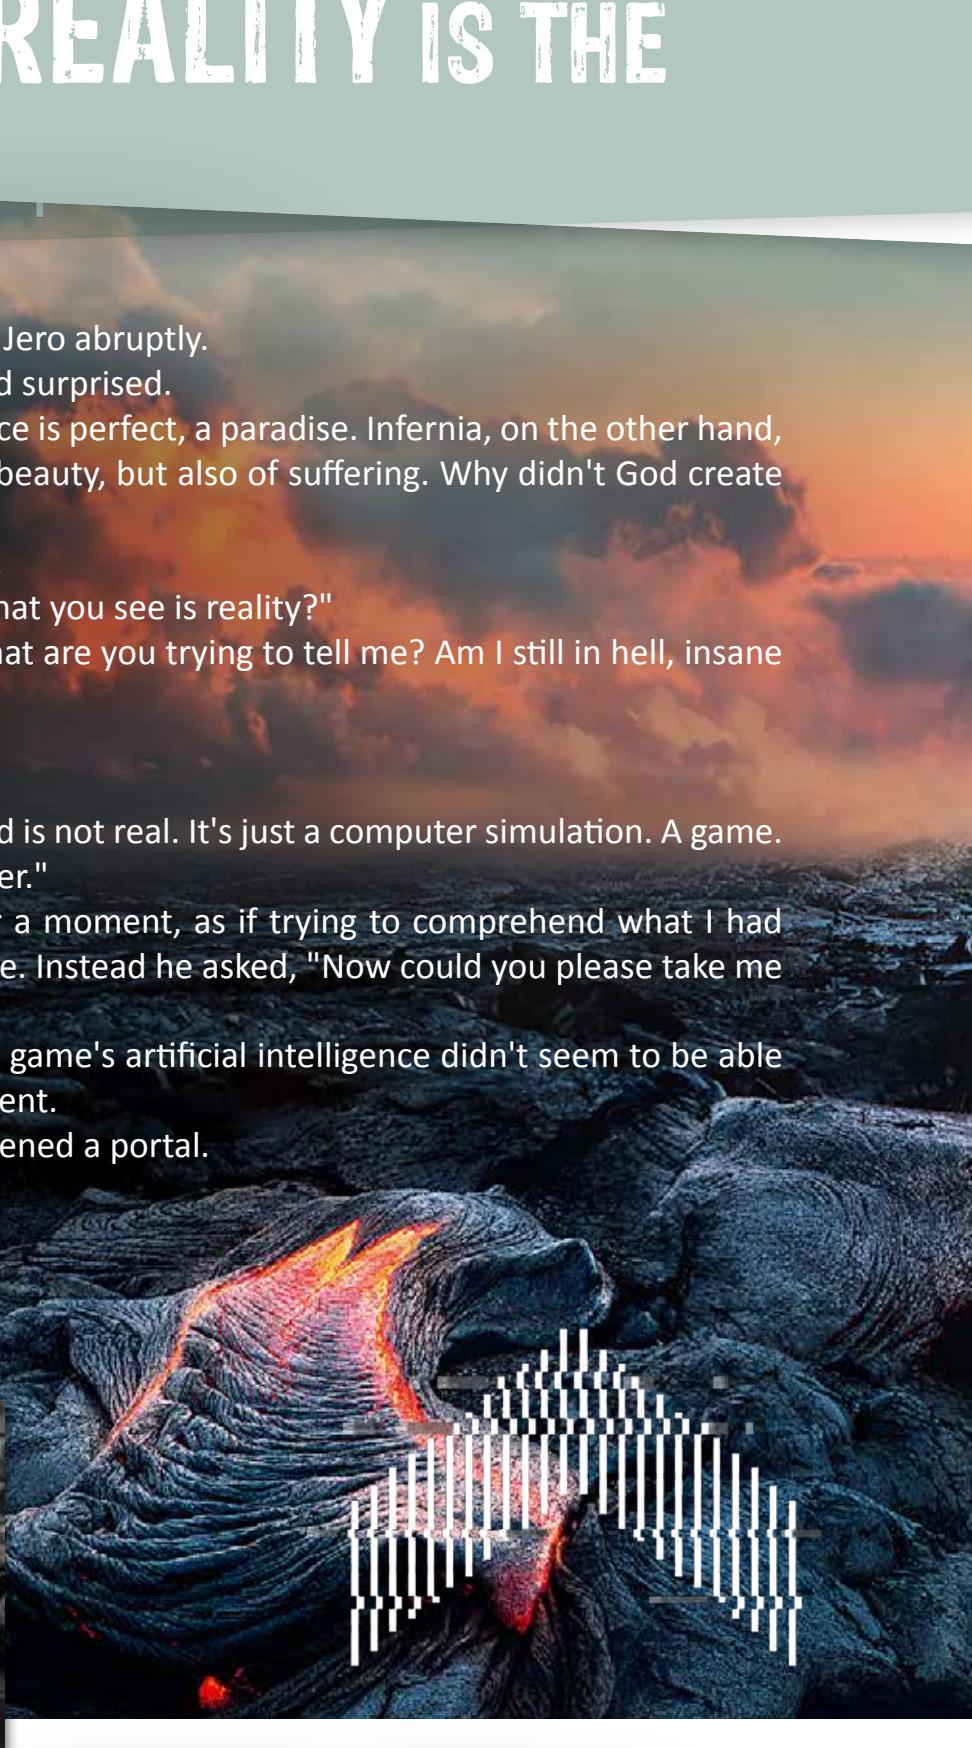

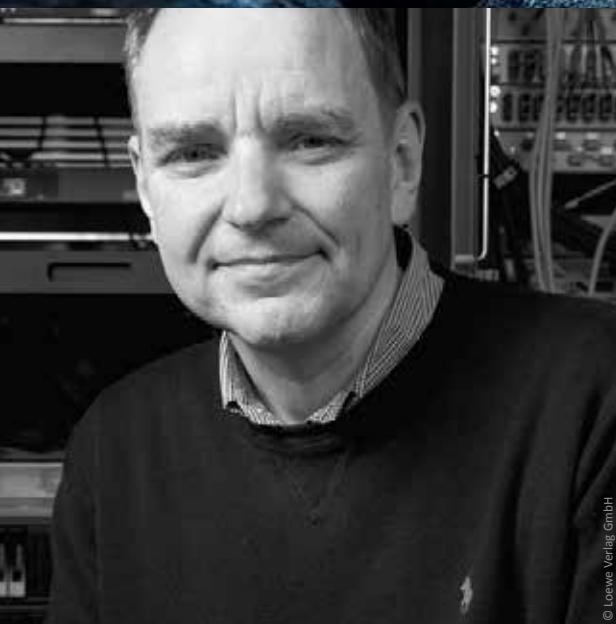

"Then I'm ... Dead?"

"You're not dead. But this world is not real. It's just a computer simulation. A game. You're just a simulated character."

He looked at me in silence for a moment, as if trying to comprehend what I had said. But there was no response. Instead he asked, "Now could you please take me back to earth?"

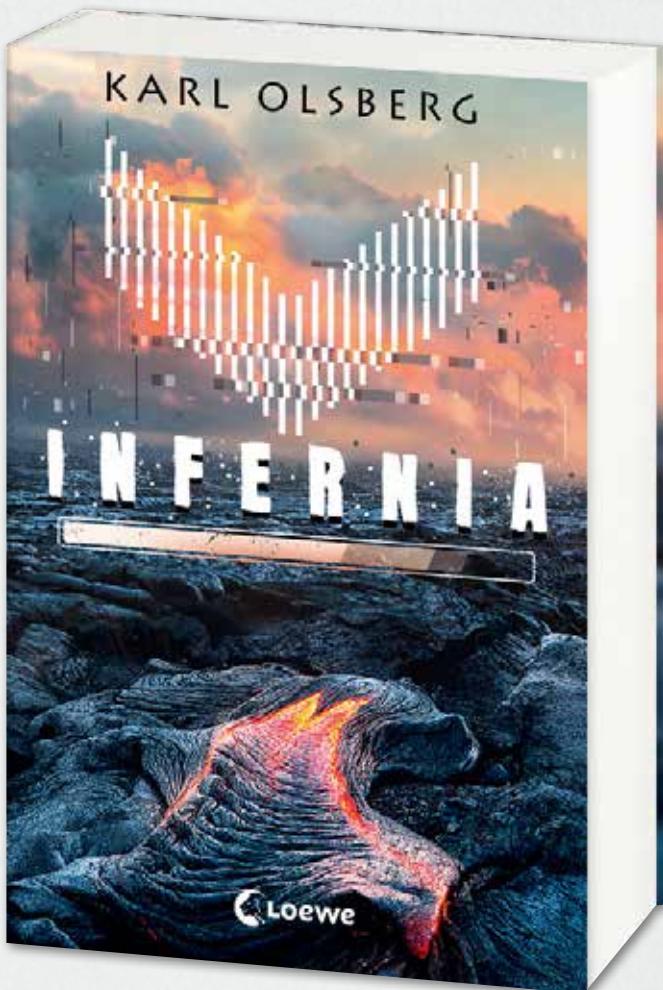

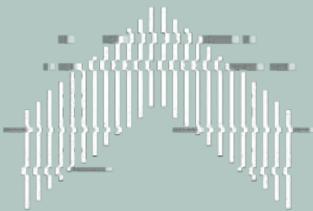

I was a little disappointed. The game's artificial intelligence didn't seem to be able to do anything with my statement.

"As you wish," I replied and opened a portal.

**KARL OLSBERG** did his doctorate on artificial intelligence, was a management consultant, manager at a TV station and founded several start-ups. His first novel, *Das System*, was published in 2007 and immediately made it to the Spiegel bestseller list. Five years have passed since Leni last saw Raffael. Five years since he lost both father and brother in a fire at his family's hotel and disappeared from Sylt – and thus from Leni's life. Now Raffael is supposed to supervise the reconstruction of the hotel, in which the shipyard where Leni is training to be a shipbuilder is also involved. It soon becomes clear that nothing is the same between Leni and Raffael and that he wants nothing to do with her or the island. But then why is there still that familiar tingling?

In *Kein Horizont zu weit* (No Horizon Too Far), SPIEGEL bestselling author Alexandra Flint paints an atmospheric picture of the beautiful North Sea island of Sylt and creates a touching story about first love, friendship, grief and the courage to make a new start – with protagonists you simply will have to take to your heart.

Berlin. Two years earlier: Lucy meets Gregor at a writing workshop. Gregor, the loner. Gregor, the writer. Gregor, who with every word he writes, writes his way into Lucy's heart. But after the summer she doesn't hear a single word from him again. Cologne. Now: suddenly he is standing in front of her again. As if it wasn't bad enough that Gregor has moved to Cologne for his Master in Creative Writing, Lucy has to host the university podcast with him, of all people. And that is such an important step on the way to her own women's magazine. What she knows: Gregor still has the same attraction for her. What she doesn't know: the real reason why he has come back into her life ...

In her incomparably poetic way, SPIEGEL bestselling author Gabriella Santos de Lima writes about toxic (non-) relationships, pressure to perform and how important open communication is – whether in a podcast or in love – in the prelude to her new New Adult trilogy.

Sofia Sartori has failed. It has always been her wish to become a successful actress, but shortly before her breakthrough in Hollywood, a tragic incident forces her to turn her back on the „dream factory“. Now she keeps her head above water in her hometown of Venice, working as a performer in a tourist theatre, determined never to return to cinema. This decision is shaken, however, when director Roger Sheffield shows up and asks her to play the female lead in his new project. Can Sofia forget what happened in Los Angeles and put herself in front of the camera once more? Especially when her co-star is none other than Orlando Grandin, who has never missed an opportunity to mock her since her fall?

With the second volume of her *Love* trilogy, Marina Neumeier has created a second-chance romance that sensitively shows that MeToo can play a role in all walks of life and leave wounds in the most diverse ways.

## Was ist eine Filterblase?

Wenn du im Netz oder in den sozialen Medien den Eindruck hast, dass sich hinter dir die Dinge abspielen, für die du dich interessierst und die Dinge, die dich interessieren, die du gar nicht interessierst, dann bist du vermutlich einer Filterblase gefangen.

Aufgaben mit „in der Filterblase“

Filterblase ist ein gutes Gefühl, schließlich wird da so

ständig in deiner Meinung bestätigt. Sollte es „nur“ um Dinge

gehen, dass du dich noch nie davor gefürchtet hast, kann das zwar dazu

oder sogar bewegen, aber für die Demokratie ist das meist

nicht weiter problematisch.

Schmeißt ja auch et was bei Inhalten, die unter politischen Verhältnissen

und unviele Leute interessant befinden. So lässt du wo-

möglich Aufgaben der Partei, die du nicht anhängerst,

und du weißt vielleicht sogar ihrem Spitzenpolitiker nichts mehr

von. Und irgendwann läuft der Algorithmus die Meinungen weiter

den Parteien weg.

Das sollte in einer Demokratie

nicht passieren, denn du sollst

die freie Meinung bilden und

dabei auf andere politische Duetten

zurückgreifen können.

Der Begriff „Filterblase“ kommt von dem US-amerikanischen EU-Politiker Eric Schmidt, der die Filterblase mit dem zentralen Menschen und dessen gewünschten Interessen beschreibt und daher durch

den für die Gedanken anstrengt. Dagegen besteht durch Filterblase die Gefahr, dass die Filterblase die Gedanken

des sich einsetzenden Menschen automatisch abschwächt.

## Was ist die Echokammer?

Häufig wird im Zusammenhang mit der Filterblase auch das Wort „Echokammer“ benutzt. In einer Echokammer befinden wir uns darin,

wenn wir aktiv dafür entscheiden, uns nur noch mit Menschen

anzufreunden, die wir schon kennen und die ähnlich denken wie wir.

Sie lieben dann das, was du liebst, und du liebst das, was

magst. Das ist ein echter Fließgängertoll und du

magst es sehr. Das Problem daran ist, dass du nur

noch Freunde hast, die ähnlich denken wie du. Und dann kann das

gleiche Problem wie bei der Filterblase. Du schenfst im eigenen Saft.

Abbildung 6: Filterkarte mit echokammer

Trotz privater Meinung kann es sein, dass nur wenig Flüssigkeit fließt. Das kann

schmerzen, also im eigenen Saft zu schwimmen und auf menschlichen Verhältnisse

Mit der alten deutschen Redewendung ist klar gemeint, dass sich Freunde Menschen

seinen Zusticken verschließen und nichts Neues ausweiten wollen.

In der Filterblase geschieht das.

## 7. EIN BETTLAKEN MIT BEINEN

Till deutete auf eine weiße Gestalt, die etwas abseits vom Turm aus einer Felsnische kroch. „Vielleicht ist da ein Ge...Geheimgang zum Tu...Tu...Turm“, kombinierte er bibbernd. Der Mond beleuchtete die Szene wie eine fahle Laterne.  
 „Auf alle Fälle ist das kein Gespenst!“, stellte Lena fest. „Das ist ein Bettlaken mit zwei Beinen.“  
 Till atmete etwas auf. „Bloß ein Verrückter!“  
 „No wunderbar!“ Leon blickte prüfend nach allen Seiten. Dann lief sie hastig zum Innenhof der Burg.  
 „Ihm noch!“, räunte Lena.  
 Da knackte es hinter den drei Freunden erneut im Unterholz.  
 „Komisch, ich hab das Gefühl, dass wir selbst beschattet werden“, murmelte Leon.  
 „Blödsinn“, sagte Lena. „Und jetzt los, sonst verlieren wir das Bettlaken aus den Augen.“  
 Die Detektive folgten der Gestalt bis in die Eingangshalle der Jugendherberge. Lautlos gingen sie hinter einem uralten Schrank in Deckung.  
 „Will der Typ vielleicht die Gäste erschrecken?“, flüsterte Leon.  
 Till lugte den Gang entlang. „Nö, er verschwindet im Speisesaal.“  
 Sie eilten zu der Tür und schauten durch das eingelassene Fenster. Aber die weiße Gestalt war nicht mehr zu sehen.  
 „Liese durch die Zähne. „Unser Ge...“  
 „Ach, spenst“

## 4. DIEBSTAHL ODER EINBRUCH?

„Du meinst, weil es vier Tore sind?“, fragte Lena.  
 Till nickte. „Der Park ist zu groß, um ihn von einer einzigen Stelle aus zu kontrollieren.“  
 „Wollen wir den Fall also doch übernehmen?“ Leon lief mit den anderen in den Park hinein.  
 „Klar!“, entgegnete seine Schwester. „Was dachtest du denn?“  
 „Hm ...“ Leon legte theatralisch seine Stirn in Falten. „Also ich dachte, dass wir hier jetzt ein paar Veilchen plücken. Und dann fahren wir ganz schnell heim, bevor uns die Metalldiebe zu Schrott verarbeiten können.“  
 „Haha!“ Lena zog eine Grimasse. „Ich hab keine Angst vor den Kerlen. Wir haben ja Henningens Handynummer. Bevor's brenzlig wird, rufe ich ihn an. Wie immer.“  
 Inzwischen war Till bereits damit beschäftigt, sich im Park genauer umzusehen. „Viel ist hier nicht aus Metall. Die meisten Statuen sind aus Stein.“  
 „Ob es sich dann für die Diebe überhaupt lohnt, hier einzubrechen?“, überlegte Leon laut.  
 „Wieso einbrechen?“, fragte Till zurück. „Die gehen im Dunkeln einfach in den Park und fragen das Zeug raus. Das ist nur Diebstahl und kein Einbruch.“  
 „So leicht wird es den Dieben hier auch wieder nicht gemacht, Herr Verteidiger“, widersprach Leon grinsend.

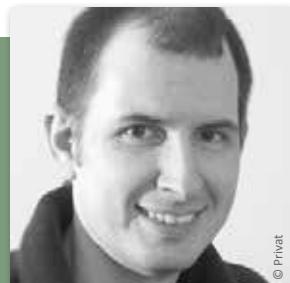

Was hatte Leon entdeckt?

**LYDIA HAUENSCHILD** was born in the Bavarian Forest in 1957 and grew up on her parents' farm. After studying agricultural sciences, she came to writing through the birth of her children: Because there was no guidebook for parents of twins, she wrote one herself without further ado. Since then, she has had just as much fun thinking up stories for children.

**JOACHIM KRAUSE** was born in Kempen at the Lower Rhine in 1968 and now lives in Jever with his wife and their two children. He studied graphic design at the University of Applied Sciences in Münster and has been illustrating games and children's books for various publishers since 1997.

Often, the first attempts at writing are still a little shaky, but with this pad, learning to write – whether right- or left-handed – becomes child's play! The ruts in the paper guide the pen when writing the upper and lower case letters, so that the children don't get off track. This way, they can grasp the exact form and train themselves to write neatly right from the start. Varied, colourfully illustrated tasks lighten up the writing exercises and help preschoolers to memorise the alphabet in a playful way.

**CARMEN EISENDLE**, born in 1982 in South Tyrol, has loved drawing since childhood. After graduating in media informatics, she now works as a freelance illustrator. She illustrates children's books and designs for T-shirts and other products. Together with her three children and her husband, she currently lives in Lana near Merano.

Writing numbers also needs to be learned – and what better way for preschool children to grasp the exact shape of the numbers than with the help of pre-embossed lines? In the Number pad of Learning to write with ruts, numbers and quantities from 0 to 20 are taught in a playful way. The colourfully illustrated tasks on each page lighten up the writing exercises and provide plenty of variety, which makes learning extra fun!

## Series Info:

For more than 45 years, Leselöwen has been helping first-time readers learn to read. For the Leselöwen learning aids, we have developed with an experienced educator high-quality learning content that paves the way for successful reading and writing. Based on the first and second grade curricula, the modern illustrated booklets provide numerous practice opportunities - from reading and writing first letters to linking simple words with the help of rules and structures of the written language to understanding and creating smaller texts. The increasing level of difficulty and the tricky tasks motivate, while the helpful tips and the colored syllable markings support text comprehension exercises. This guarantees learning success!
