Badger, hedgehog, wild boar, squirrel, and owl live in the most beautiful forest in the world – the Hidden Object Forest. Whether high up in the rustling treetops, out on the sunny clearing, or by the bubbling stream – there's always something going on here, and so much to explore!

This is the first title in a new Hidden-Object-Book series about five woodland friends and the place they call home.

DIANA KOHNE likes nothing more than getting inspired by animals and likes drawing them as well. After her studies of graphic design, she became self-employed as an illustrator. With her partner, daughter, dog, and three cats she lives and works in Hannover, and, now and then, dreams of a house in the countryside with more space for more animals, or for her inspiration.

Fabian Jeremies*

Published in June 2025

40 pages

Kobi, the topsy-turvy Bear, doesn’t look like all the other bears. First of all, he’s blue. Then there’s his mysterious belly pouch – where he keeps all sorts of things he might need one day. But most of all, Kobi’s head is full of wild ideas. And he wants to try them all right away! The grown-ups don’t always understand him – but that changes when Kobi discovers a little trick that makes the world shine with the same magic children see in it.

CHRISTIAN and FABIAN JEREMIES grew up in a lively and creative big family. From an early age, they painted everything they weren’t supposed to – and with their twin-powered creativity, they’ve illustrated numerous children’s books. They made this their profession after studying at the Münster School of Design.

Als der Kuchen im Ofen ist, darf Kalle das Paket auspacken. Es ist tatsächlich für ihn: neue Malkreiden und ein Springseil. Von Oma. Super! Kalle freut sich. „Willst du Oma gleich mal anrufen?“ fragt Mama. Kalle schüttelt den Kopf. Am Telefon weiß er meistens nicht, was er sagen soll. Oder er verhaspelt sich. Kalle hat eine bessere Idee: Er zeigt Oma einfach sein neues Bild.

Dann hat Kalle viel zu tun, denn der Kuchen ist fertig. Kalle staubt schön viel Puderzucker darüber. „Mmh, riecht der lecker!“ Mama schnuppert. „Wollen wir zwei Stück davon mit zum Spielplatz nehmen?“ Au ja, ein Spielplatz-Picknick! Kalle strahlt.

Kalle winkt ihnen nach. „Puh ... das war bestimmt ganz schön aufregend, oder?“ fragt Mama. Kalle nickt und schlüpf – schwups! – in Mamas Beutel. Denn aufregend war es wirklich. Und ein kleines bisschen anstrengend. Aber auch ein großes bisschen – schön.

Da kommt Zita angestürmt. „Hey, drüben gibt es eine tolle neue Riesenschaukel!“, ruft sie. „Da drauf ist noch Platz! Kommst du mit?“

Mama blickt Kalle fragend an. „Na, was meinst du?“ Der überlegt einen Moment, dann schüttelt er den Kopf. „Ich guck erst mal zu.“ „Okay!“ Zita düst schon wieder fröhlich davon.

Kalle the kangaroo is usually cheerful and loves playing with others. But he simply feels more comfortable in small groups – and sometimes, he needs a bit of time to himself. That's when he crawls into Mama's pouch to recharge. Unfortunately, the grown-ups around him think Kalle is just being shy or timid. But when a young badger suddenly needs help, Kalle steps up and bravely speaks to the adults. He is not afraid at all – and after all the excitement, needing a break is perfectly normal!

With warmth and sensitivity, this picture book shows what introversion really means – and reminds young readers that taking time for yourself is absolutely okay.

This book offers open, empathetic answers to all the big questions. It explains what happens in the body and mind during puberty, what everyone should know about different sexes, and how to handle the changes that come with growing up – in a clear and age-appropriate way.

DAGMAR GEISLER, was born in 1958 in Siegen, studied drawing in Wiesbaden and now lives in Franconian Switzerland. She has been writing and illustrating for children and the young for over 25 years. MATERIALKUNDE: MAGISCHE KERNE AUS KRÄUTERN

Einfluss magischer Kerne auf den Zauberschatzkasten

Traditionell werden Zauberschatkassen aus Teilen magischer Tieren hergestellt. Schottische, Eibenhäute, türkische Phoenixleder und norwegische Drachenhäuter sind besonders beliebt. Darüber hinaus verarbeitet ich als Hexe Hasentagen. Diese besitzen eine starke Verbindungs- und Loyalität zwischen Zaubersat und Besitzer. Die Schwanzhaare meiner Werkstatzkater Mally eignen sich beispielsweise ganz vorzüglich.

Die Liste möglicher Kerne ist lang. Zu den am häufigsten verwendeten Menschen in meiner Laufbahn zählen sicherlich ein Kern aus Braunwurzleuten und einer aus einem echt zusammengeordneten Liebesbrief.

Ein Kern aus Liebesbriefen, der die Liebe...

Berufsbildung beschäftigt mich viel mit der Lehre von magischen Kernen und den Eigenschaften unterschiedlicher Materialien. Dabei sind mir im großen Maße Überlieferungen mit der Kräfte- und Heilpflanzenkunde aufgefallen. Zahlreiche Experimente haben gezeigt, dass sich heimische Kräuter ganz besonders gut als Material für magische Kerne eignen. Sie sind fast überall frei verfügbar und übertragen ihre spezifischen Kräfte auf den Zaubersat. In der gleichen Weise wie Wetterur-melken oder gemahlene Großkalken...

Heimische Kräuter, wie: Petersilienwurzel (Zitronenmelisse) ist sehr widerstandsfähig, es werden Kraft von Energie...

Pinsel. Und er beginnt vor lauter

Der Regen,

Der hat geregnet!
Der Regen!

„Der Regen!“, ruft Tafiti

„Sag ich doch! Der Regen, der Regen,

„Das heißt: Wir sind ZU SPÄT!“,

„Onasus hat gesagt, den nächsten Regen erlebe Opapa

„Oh nein! Ihr blöden Regenwolken!“, grollt Pinsel los.
„Regnet gefälligst woanders!“

Just a moment ago, Fynn was a perfectly normal boy – with an annoying older brother, some good friends, and a love for soccer. But then a strange dog bit him, and under the next full moon, nothing was normal anymore. Suddenly, Fynn finds himself shipped off to a terrifying boarding school in the Rannoch Moor: Nightmore Academy. The school sits next to a graveyard, the Loch Ness Monster teaches history, crocodiles lurk in the moat, and the most popular sport is – no joke – Bloodball. Fynn is certain: he's not staying. Luckily, he meets Sinista, a demon girl expelled from Nightmore back in 1622. She is the perfect partner for his escape plan. But just as things get really wild, Fynn starts to wonder – maybe he isn't such a normal boy after all. Maybe he is a Noctie, not a Normie. And maybe this creepy school is exactly where he belongs.

Who Will Win

Hier, wo früher Maschinen gebaut wurden, hatten sich Drachen und Menschen versammelt. Professor Esden stand in der Mitte. Neben sich hatte er den Drokey-Pokal.

Alle Spieler-Drachen mussten einmal vortreten. Die Drachen sollten am Pokal schnuppern. Basilus Bas leckte sogar mit verträumter Miene daran. Professor Esden überwachte das aufs Genaueste.

„Der Pokal muss immer in der Nähe sein“, flüsterte Simak Milan zu. „Damit die Drachen nicht vergessen, wozu es geht.“
Milan bekam weiche Knie. Die war ihm nicht geheuer. Ihre Ge- allesamt größer und stärker als es ein Team mit Wetterdrachen

Simak griff in die Tasche und ließ den total überraschten Basilus Bas auf der Eisbahn hinter dem Puck her rutschen. Der kleine Basilus quiekte vergnügt, legte sich auf den Bauch und donnerte mit gesenktem Kopf und aufgerissenen Augen durch diesen Eiskanal hinter dem Puck her.
„Wir können den Puck nicht umleiten. Wir können ihn nur bremsen“, murmelte Milan.
„Also lass uns die Tore vertauschen!“

Simak klopfte Milan von hinten auf die Schulter. „Du bist ein Genie! In dir steckt der größte Drokey-Spieler aller Zeiten! Aber wie sollen wir die Drachen ablenken?“
Da musste Milan nicht lange nachdenken: Schließlich zog er Drachen an wie ein Magnet. Er gab Liv ein Zeichen. Sie und Frossy kamen dicht neben Lix geflogen. „Simak muss umsteigen!“

KANINCHEN-HILFE

Mutig sucht Justin in den überfluteten Gängen des Kaninchenbaus nach Toni. Währenddessen schnüffelt Bandita an der Erdoberfläche nach Spuren.

„Es hilft nichts“, sagt sie. „Alles riecht nach Kaninchen. Ich weiß nicht, ob der Geruch von unter der Erde kommt oder –“
Sie wirft einen viel-sagenden Blick auf die Familie, die um sie herumhüpft.

57

Justin holt tief Luft und lässt sich fallen. Der Gang verläuft aber nicht gerade nach unten. Aus dem Fall wird eher eine Rutschpartie. Doch die endet mitten in der Luft.

„AAAAAAAAAAAAH!“, ruft Justin. Und weil er danach noch immer nicht gelandet ist: „AAAA-AAAAAAAAAAAAH!“

Mit einem lauten PLATSCH! landet er im Wasser.

Als er wieder auftaucht, ist er überrascht, dass er etwas sehen kann. Er ist in einer unterirdischen Höhle gelandet. In der Decke gibt es ein paar kleine Löcher, durch die Licht einfällt. Und in einem Lichtstrahl sieht er –

„Toni?“

„Ja“, piepst das Kaninchen-Junge. Es hockt zitternd auf einem Stein, der aus dem Wasser ragt.

Series Information:

Boo! Whether it's I.S.G.s (Incredibly Slimy Ghosts) or raging fire spirits, *Tom Tomsky*, *Hedwig Kümmelsaft*, and *Hugo the ghost* are always ready to face the supernatural. As true ghosthunters, they fear no spooky threat – chasing down icy trails, venturing into haunted castles, and putting an end to every kind of ghostly mischief. But beware: ghosts can be found where you least expect them...

Tom war kein großer Freund von Weihnachten. Seine Eltern und seine ältere Schwester Lola dachten schon im September an nichts anderes mehr. Sie diskutierten monatelang, ob der Baum diesmal silberweiß oder rotgrün geschmückt werden sollte, und Lola legte sogar fest, welche Farbe das Geschenkpapier haben musste. *Tom, du musst dir nächstes Mal aber wirklich mehr Mühe mit den Schleifen geben.* Wie oft er das zu hören bekam! Es war nicht auszuhalten. Seine Eltern heuerten sogar immer noch einen Weihnachtsmann an und erwarteten allen Ernstes, dass er mit zwölf Jahren so tat, als hielte er ihn für echt, und den Glühwein-Atem nicht roch, der durch den falschen Wattlebart drang!

Weihnachten wäre schon schwer auszuhalten

8

gewesen, wenn es alle fünf Jahre stattgefunden hätte. Aber JEDES verd... Jahr???

Und nun war es schon wieder Dezember!

"Bitte, Hedwig!", bettelte Tom, als er sich am 22. mit Hugo und Hedwig Kümmelsaft zum Adventskaffee in ihrer Wohnung traf. „Können wir nicht so tun, als müsste ich dringend auf einen Einsatz?“

Seit über fünf Jahren ging er nun schon mit Hedwig und Hugo als Kümmelsaft & Co auf Gespensterjagd. Sie hatten es inzwischen zu ziemlicher Berühmtheit in ihrem Gewerbe gebracht – wofür Hugo natürlich gern die Tatsache verantwortlich machte, dass er selbst ein MUG (ein Mittelmäßig Unheimliches Gespenst) war. Hedwig Kümmelsaft hatte Tom schon mehr als ein Dutzend Mal das Leben gerettet. Aber diesmal

Der Weihnachtsbaum hatte sie gepackt. Er musterte Toms Schwester mit hämischem Grinsen und roten Kugelaugen, die an den Zweigen erschienen waren und all seine Nadeln sträubten sich wie Igelstacheln. Sie leuchteten in dem kalten Licht, das Tom als Gespensterjäger nur allzu gut kannte.

Er versuchte verzweifelt, seine Finger von dem Schleifenband zu befreien, das durch Hugos MUG-Schleim besser klebte als Paketband, da schrumpfte der Weihnachtsbaum seine kreischende Schwester auf Tannenzapfengröße und ließ sie zwischen seinen Zweigen verschwinden. Dann packte er Toms Vater und seine Mutter.

Tom befreite die Finger mit einem lauten Fluch von der Schleife und stolperte auf den Baum zu, um seinen Eltern irgendwie zu Hilfe zu kommen. Aber Dünnbrett-Dieter stieß ihn um, weil er panisch versuchte, den nadligen Klauen des Baumes zu entkommen, und Tom landete unsanft auf dem Boden, hilflos nach seiner Brille tastend. Als er endlich wieder sehen konnte, waren seine Eltern ebenso verschwunden wie der DBD und der Baum.

16

spuk schrumpfte mit einem hämischen Grinsen Tante Ev.

Tom war nur allzu klar, wer als Nächster dran war.

Manchmal ist Flucht die einzige Rettung, Tom! Hörte er Hedwig in seinem Kopf sagen, während er hinter das Sofa kroch, um sich vor dem roten Kugelblick zu verbergen. *Und der einzige Weg, deinen Gegner später zu besiegen!*

Verzeihung, ich vergesse manchmal, dass ich mich als Erzähler nicht einmischen sollte – also die Elitengänge, die unsere feigen Freunde mit allen Mitteln aus ihrem schicken Viertel hatte vertreiben wollen, war auf dem Rückzug. Die Straßengänge zog sich immer mehr in die Garage zurück.

Kara konnte vom Hausdach perfekt die Gegend überblicken und wenn sich jemand dem Grundstück näherte, imitierte sie eine Alarmsirene, was dazu führte, dass alle, die vorbeispazierten, die Flucht ergriffen. Auch Marmelade kletterte immer wieder auf die große Eiche im Vorgarten, um zu schauen, ob alles in Ordnung war.

Trotzdem fühlten sie sich am sichersten, wenn sie in der Garage waren.

Klar, sie liebten das Cabrio, in dem sie jetzt wohnten. Aber die Situation machte ihnen große Sorgen. Draußen auf den Straßen wurde es immer gefährlicher.

sche Worte, die aus dem matschigen Brei eine Salbe zauberten. Der Storch hätte es nicht besser gekonnt! Gwin lächelte die Nymphe an – Kollegin zu Kollegin sozusagen. Leider schien die Nymphe nichts für Kameradschaft übrig zu haben. Sie schenkte ihr lediglich ein herablassendes Stirnrunzeln.

Schnell sah Gwin auf ihre Schuhspitzen. Was hatte sie der denn getan? Wollte sie nicht, dass Gwin sich ihr tolles Rezept abschaut? Oder lag es daran, dass sie keine Schuppen hatte? Für Jun hatte die Nymphe nämlich einen wärmeren Blick übrig. Sie schmierte ihm sogar etwas von ihrer Salbe auf seine Schnittwunden.

Ein paar Schritte weiter entzündete ein junger Mann, halb Mensch, halb Phönix noch mehr Räucherstäbchen. Die dünnen Stäbe flüsteren in seinen fedrigen Klauenfingern, als ihre Bambusspitzen Feuer fingen.

»Diese Duftmischung verlangsamt die Verwandlung«, sagte Hao und Jun beugte sich vor, um an den Stäbchen zu riechen. Das Einzige, was wir im Moment...

Sie drückte das Trittpedal durch und das Rad setzte sich in Bewegung.

Klack. Klack. Klack.

Das Spinnrad schlürfte die Locke ein. Sofort spürte Gwin, wie ihre Finger warm wurden, als würde sie durch heißen Sand fahren oder ihre Hände in warmes Badewasser tauchen. Ihr Haar verzwirbelte sich mit den anderen Haaren zu einem strammen Faden, das helle Braun löste sich auf, bis – tatsächlich! – eine dünne Goldschicht das Braun verschlang.

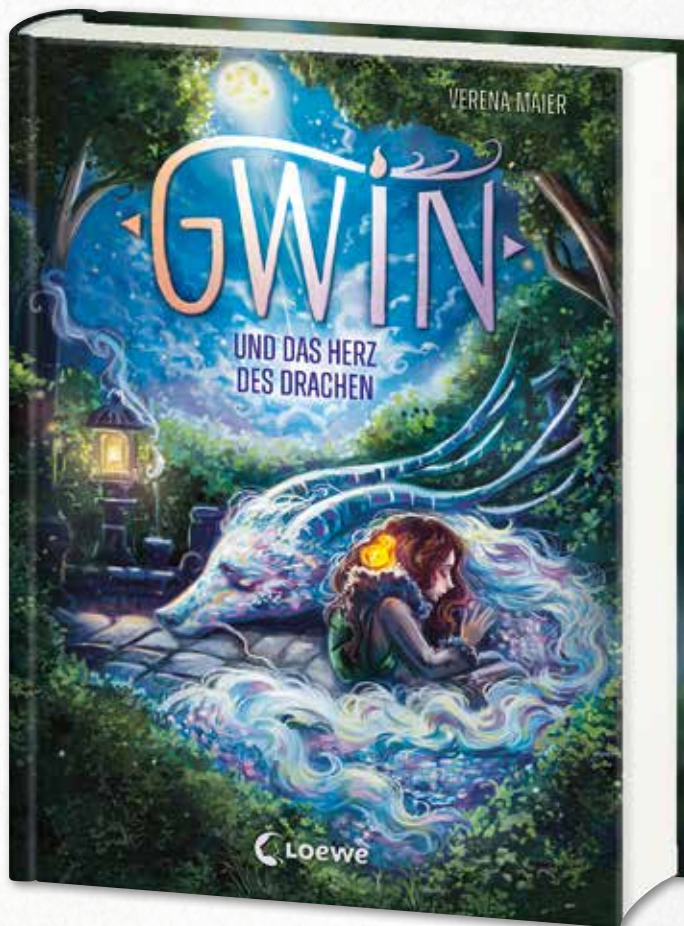

»Sehr gute«, flüsterte Madame Manou, als Gwins Locke vollständig im Knäuel auf der Spule aufgerollt war. »Und jetzt ...« Sie nahm das Garnknäuel, wickelte etwa einen Meter ab und schnitt den Faden mit einer Schere durch, »...wird gezaubert.«

Gwin can hardly believe her ears when a talking black cat strikes up a conversation with her on a park bench – and he's not exactly polite, either. Behind the shop's ordinary-looking door lies a place full of wonders: singing cauldrons, whispering flames, and magical creatures beyond anything Gwin could have imagined. The kind witch, Madame Manou, invites her to stay and help out in the shop's enchanted café. But that takes practice – especially when you're asked to pluck a troll's back hair. One night, Gwin makes a shocking discovery: there's a dragon imprisoned in the basement, and he desperately needs her help to break free. But everyone knows dragons have no hearts... right?

The Secret

Bis es anfängt zu kitzeln und sie kichert. Doch zügig passiert etwas, was absolut nicht komisch ist: Tiertas Ohrfläppchen melden sich, etwas hat sich verändert. Sie stechen. Gefährt. Tiera weiß auch, woran das liegt. Die Bohne mit dem Riss fängt vor ihrer Nase an zu brennen. Keine Explosion, nichts Bedrohliches, mehr wie eine Kerze. Aber wenn man hundert Meter über dem Boden an einer Pflanze hängt, wäre es besser, wenn die überhaupt nicht anfangen würde zu brennen. Dazu wird der Schlafsack immer lästiger. Bis Tiera kapiert, was los ist. Es ist nicht das Blatt, das lastig wird. Es ist überhaupt nicht die Feuerkugel, sondern der verschlingende Wasserschlauch, der noch immer um ihren Hals geschlungen ist. Und der offenbar raus will. Tiera fasst nach dem Rand des Blattes und zieht ihn von ihrem Hals weg, um eine Lücke für den Wasserschlauch zu schaffen. Sofort zwingt sich die Pflanze hindurch wie eine Schlange – und kriecht über Tiertas Gesicht. Der Wasserschlauch bäumt sich auf wie eine Kobra und öffnet eine große Knospe, die zuvor nicht da war. Damit ähnelt er noch mehr einer Kobra. Die Knospe

118

Blau mit orangen Sprengeln. Sie schießt vor und verschluckt auf einen Happen sämtliche Bohnen vor Tiertas Nase.

Schlagartig hört das Stechen in ihren Ohrfläppchen auf. Sie sieht zu, wie der Wasserschlauch an der Feuerkugel entlangkriecht, zu den reifen Bohnen, die man an den kleinen Flammen erkennt. Wieder und wieder schießt der Blütenkopf vor und frisst sämtliche Bohnen auf. Und mit jedem Bissen wächst der Wasserschlauch. Obwohl die Pflanze immer weiter kriecht, bleibt das Ende der Pflanzenschlange für Tiera in Griffweite.

Plötzlich fühlt sie wieder ein Vibrieren, diesmal ein bisschen anders. Es sind mehr einzelne Zuckungen. Dann hört sie ein Knallen aus dem Gewächshaus unter sich und versteht, was passiert. Tiera schließt die Augen. Das Gewächshaus! Die Feuerkugel zerstört gerade alle magischen Pflanzen und das Gewächshaus um sich herum.

Gastfreundschaft

Die Natur ist unerbittlich und unveränderlich und sie kümmert sich nicht darum, ob der Mensch ihre verborgenen Gründe und Wirkweisen versteht oder nicht.
– Galileo Galilei

Die Wälder rund um Bergkammheim haben wenig gemeinsam mit dem Grünwald, den Zacharias und Avia aus Berlin kennen. Die Bäume stehen dichter, es gibt viel mehr unterschiedliche Arten und die Stämme sind deutlich dicker. Dadurch ist es dort auch regloser dunkler und kühler. Es ist eine Welt für sich, völlig anders als die offenen weiten Felder und Wiesen oder die Berge, die hinter dem Ort aufragen. Auch die Geräusche sind anders, weniger leicht einzuordnen. Das liegt daran, dass man ihre Verursacher selten zu Gesicht bekommt. Jedes Knacksen und Rascheln kann genauso gut von einem Reh wie von einem Käfer ausgelöst worden sein. Selbst die Duffe sind ganz die des Waldes: Moos, feuchte Erde, Rinde und morsches Holz, bittere Blätter und Pilze.

In den letzten Wochen haben die Kinder Zdenka auf die Bergwiesen oder in den Wald begittert, wo sie

Wurzeln, Kräuter, Baumschwämme, Rinden oder Harze sammelt. Besonders Föhren-, Kiefern- und Zirbenharz braucht sie in der Apotheke ständig. Aber auch Rinde verwendet sie in Tees und Salben. Ihr zartes, färliges Gesicht strahlt vor Freude, als sie feststellt, dass Sol einen untrüglichen Instinkt dafür hat, wo sich der gesuchte Baum befindet oder wo die nächste Lichtung mit wilden Brombeeren und Himbeeren liegt.

Tiera kennt ihren Bruder schon ihr ganzes Leben – schließlich sind sie Zwillinge – und doch überrascht es auch sie manchmal noch, dass er sich an Orten praktisch blind zurechtfindet, an denen er noch nie zuvor gewesen ist und wo buchstäblich jede Ecke aussieht wie die nächste.

Heute ist die Familie Cunabala gemeinsam im Wald unterwegs und sucht nach Morcheln und Pfifferlingen, die in Österreich Eierschwammerl heißen. So richtig begeistert ist niemand von dieser Aufgabe. „Ich verstehe nicht, warum der Typ unbedingt hierherkommen muss“, sagt Sol leise zu Zacharias.

Zacharias antwortet nicht. Er empfindet das zwar ganz genauso,

The last thing Emma Woodhouse needs is a husband. She's beautiful, wealthy, and perfectly independent. Instead of worrying about her own future, she focuses on securing a suitable match for her penniless friend Harriet Smith. But her meddling throws the social order of quiet little Highbury into chaos, leaves Harriet heartbroken, and nearly costs Emma the affection of the one person who truly matters – the steady, kind-hearted Mr. Knightley. After all, her heart has long belonged to him... she just didn't realize it yet.

OH GREAT... A CHRISTMAS TROLL

no. 2065

Colorful illustrations by Julia Bierkandt

Published in September 2025

144 pages

All Rights available.

All Rübli the troll wants is to become a Christmas elf. And as luck would have it, he suddenly found himself in the elves' village. They're less than thrilled by his arrival – but who wants to anger a troll just before the holidays? So, his wish is granted, and Rübli is sent to the human world. There, he's assigned to a grumpy old man named Jan Jansson – who hates Christmas just as much as trolls usually do. Determined to spread cheer, Rübli gets to work in his own... creative way: hanging honey-glued paper stars, writing cryptic notes, and leaving very strange surprises. Let's just say: a Christmas troll is exactly what Jan Jansson didn't ask for – and maybe exactly what he needed.

JULIA BIERKANDT was born in southern Germany in 1983. She studied fashion design and worked as a designer for the best target audience in the world: children. While creating placed prints, she developed a love for child-friendly illustration. She especially enjoys taking children and animals along on fantastic adventures through her art.

Meet our Loewe Licence-Team

What do a rebellious werewolf-boy, a clumsy Christmas troll, a bunch of fearless ghosthunters and an introverted kangaroo have in common? They all live in worlds that spark imagination – and they all started their journeys at Loewe. We believe children's books should do more than just tell stories. They should challenge, comfort, surprise, and stay. That's why our titles range from bold new heroes and heart-stopping adventures to empowering non-fiction and creative formats that invite kids to become storytellers themselves. Our list is rich with emotion, humor, magic – and most importantly: a deeper meaning.

For over 150 years, we've been dedicated to igniting a love for reading in children. We believe there's a perfect book for everyone and we take pride in crafting stories that cross borders and bring joy to new readers. Because who doesn't love to have fun? And at Loewe, we make reading fun. Dive into our imaginative and versatile program – we know you'll love the journey!
