Leo and Lolli are the stars of this new pony series, which every pony-crazy girl will simply adore.

Leo is a soft-hearted, stubborn and stubbly donkey – Lolli is a cheeky, courageous and truly cuddly pony. The two are simply inseparable and have only one problem: Lulu and Melina. The girls simply can't get on! And that's in spite of both wanting the same thing: to pamper Leo and Lolli and go riding on them. However, Leo and Lolli soon come up with a plan to convince their two-legged friends that four inseparable friends are the best thing in the whole world!

Julia Boehme

Julia Boehme studied literature and music and afterwards worked as an editor for a children's TV programme. One day she remembered that as a child she had wanted to become a writer. Right away she decided that from now on she was going to be a writer exclusively. Ever since she is creating new stories for television and writes children's books.
