Tafiti the little meerkat experiences a lot of adventures. This miniature hero has real star potential and has been taking readers by storm. Tafiti and his best friend Bristles, the cheerful red river hog, stand by each other through thick and thin as Tafiti comes face to face with ravenous lion King Kofi and gluttonous eagle Mr Gogo. The characters have all sorts of adventures in faraway Africa, but their stories remain close to the everyday lives of their readers. The Tafiti brand is growing!

What happens in Volume 14:

Stars shine bright over the African savannah and Opapa explains the constellation of the stars. Tafiti likes the big and small meerkat symbol the most and he really wants to visit them. Together with Bristles he sets out and on their way they meet the dung beetle Copernicus. He knows that the way is too long. But Tafiti has an idea: he writes a letter to the star meerkats and invites them over – will they visit them soon?
