218 B.C.: the mighty commander Hannibal collects a gigantic army outside the city walls of Cartagena. Rumours emerge about an impending attack: is Hannibal going to start an assault against Rome? Zirdan and his friend Tazirat want to know the truth and are soon in mortal danger... Against a backdrop of historic events, children from various epochs solve mysteries. Whether it is a theft in a monastery, a gang of confidence tricksters in Barbarossa's time, or a plot centered on the payment of Varus' legionaries - our "History Mysteries" bring the Middle Ages, ancient Egypt and the Roman Empire to life. The detailed appendix provides information about the epoch in question. "History Mysteries" make history fun!
