Summertime and holidays – what more could one want!

Horses, of course! This double volume combines two new lovely romantic stories about riding, horses and perfect holidays in the saddle!

Jana can hardly wait for the first day of her holiday in the riding school. At last, she is reunited with Miranda, her favourite mare – and Tim, who last year, nearly kissed her. But the holiday turns out quite differently to what she planned. Miranda can't be ridden and Tim is behaving in a strangely distant way. Is that due to Moritz, the new learner?

For her part, Rosalie is using her riding school holiday as an opportunity to change her image. Suddenly, she is no longer the outsider in her knitted woolly jumper, but cool Sally, who everyone admires! She is allowed to ride the best horse in the stable and even sweet Jonas is interested in her. However, Tom turns up; he is in her class at school and soon puts a spoke in her plans.
