Painting Dinosaurs - Step by Step

Children love to draw, and this painting school makes being creative so much fun! Step by step, little artists learn how to draw their favourite dinosaurs in no time using very simple shapes. And if that isn't enough, they can also create their first larger works of art in no time at all, such as a group of playing dinos or an archaeopteryx flying over a volcanic landscape.

- 44 motifs with simple step-by-step instructions and help
- Supports creativity, imagination and hand-eye coordination
- Trend topic: dinosaurs
