Liquorice?! That's not a pony's name! But when Lou meets the shaggy Lucky, she just has to rename him. He does, after all, have a mane the colour of liquorice, Lou's favourite sweet! And it is not long before Lou and Liquorice are inseparable. If only Liquorice was not so stubborn! Sometimes he drives Lou mad. When he pulls the washing off the line, for example, or gangs up with a baby gorilla. But one day there's a serious accident. And Lou and Liquorice prove they are true friends.

A big surprise! Lou's mother brings a gorilla baby from the Safari Parc to their home. Of course Lou has to show this little cute animal to her best friend Liquorice. They both like each other from the first second and turn everything topsy-turvy.
