Ginger, the new pony at the farm, does not seem to be content. She looks unhappy and does not even accept food. Only Hanna who misses her best friend Julia realises what Ginger needs: the goat Fred, her best friend and former neighbour...

Little Professor Paul is the world's greediest and loveliest pony – that's at least what Hanna thinks, and she should know best, since Paul is HER pony. Our new series aims at girls aged 8+ who dream about ponies day and night. It offers classic pony adventures, told in a charming and witty way. The author writes very intuitively for girls aged 8+ and their love for ponies and horses.

„With her light and humorous narrative style and the adorable characters Marion Meister won the hearts of her readers and reinforces the desire for more books.” Märkische Oderzeitung, <?xml:namespace prefix = st1 ns = "urn:schemas-microsoft-com:office:smarts" />Frankfurt
