Magical, brave and wonderful!

Somewhere deep in the woods under a deep forest canopy, you can find the elves. Each of them has an own job in nature. There they live in harmony with the animals and trees, flowers and roots. All of them take care of each other. But now and then something dark meddles in the forest community...

- Little Elf Forest Rubinia is caring and strong, she has her own head
- Warmhearted humor
- For Story Time with boys and girls or Young Readers (6-9 years)

What happens in Volume 5:

In the middle of summer, the sky suddenly darkens and an ice storm hits the elf forest. All the forest residents are in danger, because no one is prepared for the cold. Rubinia suspects that the reason for the mysterious spell is in the forbidden misty forest. And indeed: the bitter elf Terror sends bolts of ice across the land out of anger. With a lot of courage, Rubinia softens Terror's ice-cold heart and convince him to release the ice spell.
