Juri has a secret: dinosaurs are not extinct. There are three of them living in his mum's old doll's house, and their names are Happi, Igur and Permilla. Juri is the only one who knows they are not just toys but living, breathing dinosaurs. The four friends have lots of exciting adventures together, and with three real-live mini dinos around, fun is never far away!

When Dad asks Juri to go and get some things from the supermarket, the three tiny dinos are beside themselves with excitement. A soup-market: now that sounds very tasty! There are bound to be lots of sausages and ice cream there – and best of all, plenty of biscuits. They persuade Juri to take them with him, safely hidden inside his shopping basket. But the excited dinos soon find that their adventures have only just begun...

- The three non-threatening little dinosaurs are funny, likeable characters that both boys and girls can relate to
