Creepy, Cool & Completely Addictive – Perfect for Young Horror Fans!

Just a moment ago, Fynn was a perfectly normal boy – with an annoying older brother, some good friends, and a love for soccer. But then a strange dog bit him, and under the next full moon, nothing was normal anymore. Suddenly, Fynn finds himself shipped off to a terrifying boarding school in the Rannoch Moor: Nightmore Academy. The school sits next to a graveyard, the Loch Ness Monster teaches history, crocodiles lurk in the moat, and the most popular sport is – no joke – Bloodball. Fynn is certain: he's not staying. Luckily, he meets Sinista, a demon girl expelled from Nightmore back in 1622. She's the perfect partner for his escape plan. But just as things get really wild, Fynn starts to wonder – maybe he isn't such a normal boy after all. Maybe he's a Noctie, not a Normie. And maybe this creepy school is exactly where he belongs.
