Motivating Children to read with Leselöwen!

Reading Lions – The Picture Mouse Concept:

- For **pre-school-kids** without experiences in reading on their own
- **Clearly structured text**
- **Nouns** are **replaced with pictures** to be 'read out' by the children
- Sense of **achievement guaranteed!**

Jona's dad is astronaut and flies to the space station. There he's supposed to work with microscopes and robots. And Jonas has a present for him that's supposed to bring luck for the mission.

THILO

THILO spent the first 20 years of his life in the children's corner of his parents' bookshop. He then travelled in Africa, Asia and Central America before successfully touring with friends as a cabaret trio. Today THILO lives in Mainz with his family and writes stories and scripts for TV programmes.
