Do ponies have pet birds? No, of course not. But Lou's family has acquired a new member, and a talkative one at that, with the mynah bird Anselmus. However, the fun is short-lived, as suddenly Lou's pony Liquorice is missing. It is soon obvious that he has been stolen. Lou feels terribly lonely, but then she moves heaven and earth to get her beloved pony back.

Julia Boehme

Julia Boehme studied literature and music and afterwards worked as an editor for a children's TV programme. One day she remembered that as a child she had wanted to become a writer. Right away she decided that from now on she was going to be a writer exclusively. Ever since she is creating new stories for television and writes children's books.
