Big Adventure, True Friendship – Tafiti & Pinsel’s Journey Begins...

There are many dangers in the African savannah, which is why Grandma and Grandpa Meerkat always make sure the family stays together. But one day, Tafiti brings home someone unexpected: Pinsel, a little bushpig who needs help. Then disaster strikes – and it’s all because of Pinsel: a poisonous snake bites Grandpa! The only hope is a legendary blue flower said to bloom beyond the desert, with the power to heal anything. So Tafiti sets out once again, braving the unknown with Pinsel at his side. Their journey takes them across endless sands, through howling sandstorms, past hungry jackals – and into the talons of a fierce eagle. Will they find the flower in time to save Grandpa?

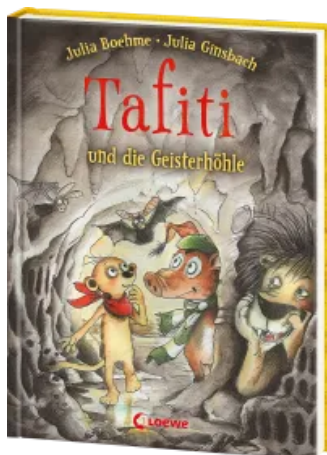

- The official storybook tie-in to the animated feature film
- A brand-new origin story about how Tafiti and Pinsel first became friends
- Beautifully illustrated with a mix of movie stills and original drawings
- An epic desert adventure filled with danger, courage, and heart
