Lydia Hauenschild

Lydia Hauenschild was born on a farm in 1957 in Bavaria. Life on her parent's farm influenced her childhood immensely. She studied agriculture and turned to writing only when she discovered that there were no guide books on parenting twins after her children were born. The quick success motivated her and she has written a number of children's books since then.

Christiane Wittenburg

Christiane Wittenburg, born in 1974 amidst the mountains, now resides in Erding with her husband, two children, a small cat, and two rabbits. She works as a teacher at a Montessori school and has been a children's and young adult book author for many years. To date, she has published numerous titles in areas such as children's activities, learning and practice materials for elementary and preschool, picture books, board books, non-fiction, early readers, and horse books.
