What happens in Volume 16:

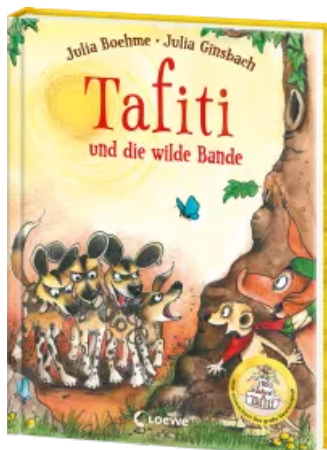

What's that, a Gnu? All alone? Tafiti and Pinsel can't believe their eyes. The Gnu has lost its herd! Quickly, the two friends jump on his back and help with the search. But it is really dangerous: The lion King Kofi follows them! And when they finally find the herd at the big river, the crocodiles are already lurking. Does Tafiti have the saving idea to help the Gnus?
