Learning to Read with Pictures.

Ella, the little Ice Princess, dreams of a big celebration! But the princesses from the valley are terribly cold up on her snowy mountain. That's no fun at all! Her animal friends come up with a plan: a party in the valley!

Together, they get to work in the kitchen and bake a cake for Ella and the other princesses. What could possibly go wrong?

The *Picture Mouse* series tells exciting adventure stories of a lovable character or an exciting location. In the text, all nouns are replaced with small pictures that children from the age of 5 can recognize and name when reading (aloud) together.

This gently introduces children to the process of reading, allowing them to "read" their first book even before starting school!
