In the year 801, shortly before the visit of the newly-crowned Emperor Charles the Great, valuable manuscripts are stolen from the monastery library. Anna and her friends embark on a dangerous mission, pursuing the perpetrator who seems to leave no trails behind. Against a backdrop of historic events, children from various epochs solve mysteries. Whether it is a theft in a monastery, a gang of confidence tricksters in Barbarossa's time, or a plot centered on the payment of Varus' legionaries - our "History Mysteries" bring the Middle Ages, ancient Egypt and the Roman Empire to life. The detailed appendix provides information about the epoch in question. "History Mysteries" make history fun!
