In Seach of Love

Mum wants a lot of love for her birthday – nothing else. But where do you get love? You can't buy it in the shop next door and painting doesn't work either, because what colour is love anyway? And why does mum claim that love is in my lunch and grandma that she lives on cloud nine?

A warm-hearted picture book that makes it clear that love can be found everywhere: in your grandparents' wedding picture, in the dog's wagging tail, when you come home or in the warm and cosy feeling you get when you are hugged by a loved one.
