In the year 1275 A.D., Johannes and Klara, children of the master builder at the Cathedral in Cologne are raptly watching the building site. But suddenly mysterious accidents occur. Is there really a curse impending over the construction site as so many people assume? Johannes and Klara do not believe this story... Against a backdrop of historic events, children from various epochs solve mysteries. Whether it is a theft in a monastery, a gang of confidence tricksters in Barbarossa's time, or a plot centered on the payment of Varus' legionaries - our "History Mysteries" bring the Middle Ages, ancient Egypt and the Roman Empire to life. The detailed appendix provides information about the epoch in question. "History Mysteries" make history fun!
