Logli points the way to logical thinking! Is everything going well at school? If not, the Logli Learning Games will certainly be able to help. Exciting exercises and entertaining puzzles inspire creativity, improve concentration and develop the power of reasoning and the ability to think logically. And with numerous tips on how to learn, there will be no more obstacles to success at school! Among more than 100 titles available, there will be the suitable title for every learner's weakness.

Roland Volk

Roland Volk ist mit Leib und Seele Schulleiter und Lehrer an einer Grundschule. Wichtig ist ihm, dass Kinder mit Spaß und Interesse lernen und so einen leichteren Zugang zu den unterschiedlichen Unterrichtsthemen finden. Deswegen denkt er sich viele spannende und lustige Aufgaben aus, mit denen das Lernen zum Kinderspiel wird.
