Paperback

Fold, Fly, Float – 222 Paper Creations to Try!

Funny animals, fast paper planes, clever folding games, and sleek little boats – this book is packed with ideas to help children (and adults!) turn a simple sheet of paper into something amazing. With 222 easy-to-follow tutorials, this hands-on guide offers hours of creative variety – whether you want to glide through the air, race across land, or float on water. Each project is clearly explained in just a few steps – all you need are your hands and a piece of paper.

- A wide-ranging Collection of fun Paper Models
- Simple step-by-step Instructions for guaranteed Success
