Get your imagination working! Loads of pictures are waiting to be completed. Just trace some lines on the black surface, and suddenly there's a riot of brilliant colour. That's because a bright pattern and glittering colours are lying beneath the black layer. Will it turn into a shimmering fish or a crown for a king? The young artist decides!

Who finds the mermaid? Where is the witch going? And how does the pony ranch look like? Imagination is needed! It takes only a few lines until magical pictures occur as underneath you'll find various patterns and colours. Let your imagination fly and create beautiful magical horses, sweet lambs or a present for the princess.
