### Learning to Read with Pictures

Ferdi the foal wishes so much for a friend to play with! But everyone is too busy. So, during a trail ride, Ferdi sneaks off to explore the area on his tiny hooves. Will he find someone to play with?

The Picture Mouse series tells exciting adventure stories of a lovable character or an exciting location. In the text, all nouns are replaced with small pictures that children from the age of 5 can recognize and name when reading (aloud) together. This gently introduces children to the process of reading, allowing them to "read" their first book even before starting school!
