An absolute must for all fans of Cornelia Funke! This beautifully refurbished omnibus volume of stories by best selling author Cornelia Funke is almost too beautiful to give it away. In her popular style of writing the author leads her readers into a magic land of stories in which not only little bookworms and attic ghosts but various other heroes live. A special book by a special author deserves a special refurbishment: a magnificent cover illustration full of atmosphere by the popular illustrator of children's books Sybille Hein, half-linen bound and ribbon page marker make this omnibus volume a very special treasure.
