Finally the time has come! The first flying lesson takes place at the unicorn school. Will Rosi manage to take off? Unicorn Piko thinks that he himself will not succeed at all. Until he enchants everyone with a great idea. And Sole and Bella also impress - with their willingness to help! On a school trip, they find an injured rabbit and bravely rescue it from a dangerous root.

*The volumes of the Picture Mouse series contain four separate little stories each with lovable characters and exciting settings. All nouns are replaced by little pictures. While the stories are read out to them, the children will learn to recognize the pictures and "read" their first words.*
