Reading minds, seeing the future, brewing magic potions and controlling nature: The kids of the secret club Red have super cool abilities and solve puzzling cases in no time! How ingenious is that! The colour red evokes magical abilities in some people. This is also the case with the twins Ronja and Rob, whose family belongs to the secret society of the Redlings. They help the police undercover with tricky cases. Rob and Ronja, however, find the Redlings totally stuffy and lame. When a classmate disappears one day and Ronja's cockatoo Kiki is kidnapped, the twins take the case into their own hands. In the process, they discover a dark secret ... Red alert for the Reds!
