What happens in Volume 3:

The next round of the Galactic Games is coming up. But when Bargel wants to pick up Felix at home, his mother notices him. Although Felix can convince her that she was imagining the alien in his room, he has an even bigger problem: Dr. Moron is after Felix's alien friends. The mad scientist is convinced that aliens are trying to take over world domination. When Bargel reappears on Earth, Dr. Moron's friends are surprised. He manages to get his hands on Bargel's portal key and locator. Without it the tentacle pig can no longer leave Earth. So Felix hides the alien at school. But he must not only protect him from Dr. Moron, but also prevent his mother and Dilara from discovering him.
