### **Tafiti and Bristles come to the rescue!**

There's great excitement in the meerkats' burrow. A herd of elephants has made the ground tremble, but that's not all – they've trampled all over Granny's vegetable plot! To make matters worse, these thick-skinned pachyderms haven't even noticed that they've left a baby elephant behind. It must be returned to its herd as quickly as possible! But that's not so easy to do, and all sorts of ideas have to be tried out first...
